Honorable Richard Helms
Director
Central Intelligence Agency
Washington, D. C. 20505

Dear Mr. Helms:

The House Committee on Government Operations is again charged with the responsibility of compiling a Federal Property Inventory Report covering real and personal property assets of the United States Government, on a world-wide basis, as of June 30, 1968. The Report is expected to be published in December of this year.

Your agency has been of great assistance to the Committee during the past few years in compiling data covering assets under the jurisdiction of the Central Intelligence Agency. I am especially pleased that assets of your agency have been reported previously in a manner, mutually agreed upon, which represented acquisition cost value without positive identification in each instance.

I shall greatly appreciate your furnishing the Committee again, in a manner similar to the one employed in the past, figures covering real and personal property assets under your jurisdiction as of June 30, 1968. These data are requested no later than November 1, 1968, and they will be reflected in our next Report.

Please be assured of my sincere appreciation of the assistance rendered by your Agency in the past, and I look forward to your continued interest and cooperation in our undertaking.

Sincerely yours,

WILLIAM L. DAWSON,
Chairman.

4. (Secret - JGO) Met with Mr. Philip Kelleher, House Armed Services Committee staff, and discussed with him the Soviet and Warsaw Pact forces order of battle. Mr. Kelleher was of the opinion the material presented was responsive to the "variety" of questions attempted during the Committee briefing. Received back from Mr. Kelleher Manual of Photogrammetry which had been loaned by Mr. Lundahl's office. Mr. Kelleher was most appreciative. As a matter of interest Mr. Kelleher also provided a Reuter's newspaper clipping relating to the "MIG-23."

5. (Internal Use Only - JGO) Met with Mr. Marian Czarnecki, Staff Consultant, House Foreign Affairs Committee, who advised that Representative Selden would like to meet with us at 2:00 p.m. Tuesday afternoon for briefing prior to his trip to Latin and Central America. (See Journal item of 26 September.) This time has been confirmed with Mr. Broe and [REDACTED] Mr. Czarnecki also advised that a fairly firm itinerary should be worked out by Monday and he will make it available at that time.

6. (Internal Use Only - JGO) Met with Mr. B. Benton Bray, House Manpower and Civil Service Subcommittee staff, who advised that Chairman Henderson has not scheduled a meeting of the Subcommittee for next week.

7. (Confidential - CEA) Marcia Bresee, House Committee on Government Operations, called to inquire about the Agency's Annual Federal Property Inventory Report. I explained that we have an agreement with the Committee to consolidate our figures with those of another Government agency and that the Committee should have received these figures by now. Miss Bresee accepted this explanation and said no further action was necessary.
